

LIFEPOINT CHURCH
CHURCH PLANT PROSPECTUS

LEAGUE CITY, TEXAS

GREETINGS!

When we began dating in high school, we could have never planned for or dreamed of the incredible journey God had in store. Now, with more than a decade of life together, we remain more convinced than ever that God is at work and calling us into a new season.

After serving in pastoral ministry in South Florida for several years, we responded to a call from God to uproot our lives and move to the Greater Houston Area in 2019 to help lead a revitalization effort at LifePoint Church. Since our move, we have consistently seen God grow and deepen His church as people encountered Jesus.

In the fall of 2021, we began to sense that God was stirring us to plant a new church in our area. As the calling continued to deepen, we began to link arms with others in prayer for discernment, courage, and favor. What began as a dream, is becoming a reality. It has been a profound joy to experience God shaping us for the next season of gospel ministry.

By the grace of God and the support of others, we are committed to planting a church in a pocket of new development in the western communities of League City as a campus of LifePoint. Aspects of the future are uncertain, but the calling is clear. The time is now and you can play a part in seeing God move through LifePoint Church West.

Sincerely,

Dr. Stephen & Shelby Kimpel

ABOUT LEAGUE CITY

30,832

More people living in League City in 2020 vs 2010.

225,000

Projected population for League City in 2035.

Current population is 117,434.

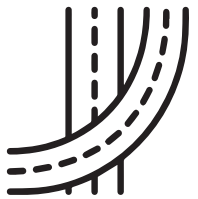

Population

Seven new residential communities are being built in western League City, each exceeding 800 single-family homes.

People

Designated as one of the 100 'Best Small Cities in America,' families and young professionals are building lives in League City.

Priority

The future expansion of Houston's Grand Parkway will continue the rapid residential and commercial growth in close proximity to LifePoint Church West.

Place

We desire to plant an intentionally collaborative and missional church that will fill a current gap in the local church's care in order to serve our community well.

WHY WEST LEAGUE CITY?

We don't just live in League City; we love League City!

People from all over Texas, across the country, and around the world seem to agree. Whether it is the schools, the parks, the quality of life, or its proximity to Downtown and Galveston, our region is growing rapidly. Simply put, healthy, God-honoring churches need to be started and strengthened to continually care for our region well. We have prayed, sought counsel, received formal assessment, and have humbly asked God to help this church plant care for our region in a way that honors Jesus.

We are confident that the geographic focus of this future church plant is strategic and timely. Our target area is focused on the cusp of growth that will soon become the epicenter of various new neighborhoods.

By planting this church as a campus of its sending church in the developing communities of West League City, we hope to maximize collaborative efforts and ministry effectiveness. We are confident in God's desire to expand the gospel through His church and we are excited to join Him in that work... one person, one family, one neighborhood at a time as we point others to **LIFE IN CHRIST.**

Yearly Budget

Financial Strategy

According to the best available research, it typically takes three to five years for a successful church plant to become financially self-supporting. We are committed to good stewardship, high levels of accountability, and prayerful dependence upon the Lord in order to raise three years of necessary funding.

In coordination with our sending church, we are raising funds via the SEND Network for church planting, other church partners, our launch team, and other individual supporters. The proposed budget will allow us to rent a location for our weekend gatherings, resource appropriate ministries, actively care for our neighborhoods, purchase practical equipment, and fund missional engagements that will imbue gospel multiplication and deep discipleship into the DNA of this new church.

Our sending church and their elders will be providing the financial oversight of our budget and finances. As of now, \$100,000 of the funds have been donated over a period of 4 years. We have every intention of stewarding the time, energy, and resources in ways that are above reproach and honoring to the God. LifePoint Church is a 501(c)3 organization and all donations are tax-deductible.

CHURCH'S MISSION

**MAKE DISCIPLES
MULTIPLY CHURCHES**

CHURCH'S VALUES

Christ-Centered

The gospel is the good news of what God accomplished in Christ to rescue rebellious humanity and heal a fractured world. We will glorify God by keeping Jesus as the centerpiece of why we exist. (John 3:16-17, 1 John 5:12)

Biblically Bold

Our goal is to teach and apply the Bible accurately, confidently, and humbly through expository preaching. We aim to understand every biblical text in its proper context so that we can rightly apply its meaning to our lives. (2 Timothy 3:16; 4:2)

Family Focused

We believe that God's desire is for families to be healthy and whole. We are committed to building strong marriages, partnering with parents, and developing a sense of family within the church community. (Deuteronomy 6, Ephesians 2)

Discipleship Driven

Discipleship is not just about programs; its about people. By God's grace, our aim is to know and follow Jesus while encouraging others to do the same. Through our LifeGroups and intentional one-on-one relationships, we desire to build up a community of people committed to loving, encouraging, and serving one another for the glory of God. (Colossians 3)

Multiplication Minded

We believe multiplying healthy churches are essential for gospel impact in our region and around the world. We desire to start and strengthen churches throughout the Greater Houston Area and beyond. (Matthew 28:18-20)
