Advent is a time of intentional anticipation and preparation leading up to Christmas. These Advent readings are intended to provide you with the opportunity to walk in the hope and joy that accompany the birth of our Savior. As a LifePoint Church Family, we are focusing this year on the supremacy of God's Son. We hope that these daily readings would stir your affections for God and remind you this Christmas that the Founder of our salvation has come!

Read and meditate upon the daily Scriptures above. Pray that God would reveal His Word to you and apply it to your heart and life. As you intentionally contemplate the Scriptures this Advent season, may your heart be reminded that God is King.
